Anna Salamone-Consoli
Principal

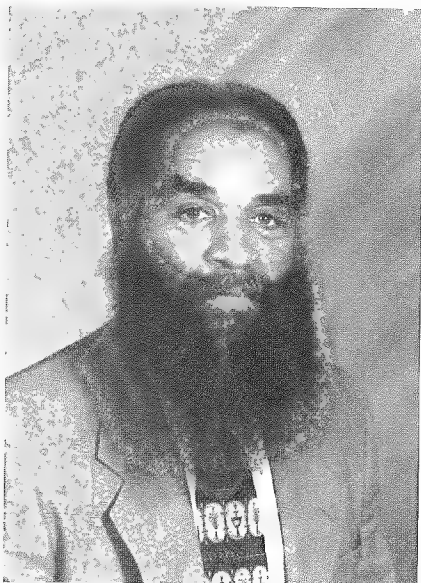

Dear Class of 1996,

This completes your high school experience which has taken you from your confused stage of adolescence to the mature adult that you are today as you graduate. The Bulkeley Family has nurtured, coaxed, prodded and worked very hard to prepare you for what will face you in the future. Your years spent at Bulkeley, hopefully, have been positive and fruitful. The memories that you take with you from Bulkeley will be among the most cherished of your lives.

Now, it is up to you to carve out the patterns of your adult life. Decide wisely what course your life will take for each decision that you will make will have far reaching impact. As you move through your life, turn to others who are less fortunate, more needy and less secure than you to help. The magic will start with you-your kind words, your soft smile, your gentle touch. The world will be a better place because you have passed through. I expect great things from you because you are special and you are loved. Thank you for voting me the "Most Popular", I should have been voted the "Most Blessed"; After all, I have been blessed with you.

Sincerely,

Anna Salamone Consoli

With bittersweet sorrow, I watch another graduating class pass on to another chapter in their lives. The accomplishment of graduating should not be taken lightly. You have made the transition into adulthood and for that many of us who have watched and supported your efforts are very proud of you.

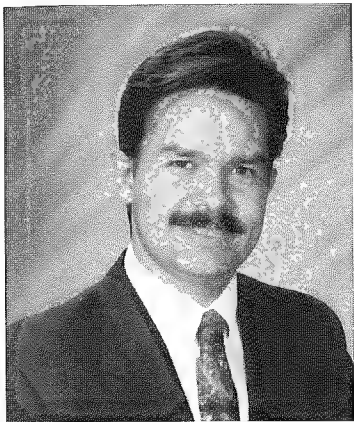

You are endeavored to continue what you have started by finding gainful employment or continuing your education. What ever you decide to do, just be sure to work hard and I can assure you that you will be richly rewarded.

If you need help or assistance we will always be here as we have been during your tenure at Bulkeley High School. Good luck and best wishes to your Class of 1996.

Sincerely,

Paul Stringer

Vice Principal

I THANK YOU! for giving me the opportunity to share with you four years of very special moments. I certainly will miss all your smiles, creative ideas and boisterous personalities. Thank you also for showing me that one of the greatest and simplest tools for learning and growing is by doing, and doing a lot more.

I am confident that each one of you will have the opportunity to help shape the world of tomorrow, and to make it a better place for our future generations. Day by day, with genuine concern, you will set realistic goals and help to build lives. It is of utmost importance for you to understand that by making connections between past-present and future actions, you will be able to face the challenges of our world with confidence, purpose and direction. Use the support and love you experienced from your "Bulkeley Family" and in return be supportive to others. This is critical, but substantial, for it will give you greater humanistic insights, the thrust in life that you were prepared for in order to challenge the world. Always remember, "commencement" doesn't just mean graduation; it means a new beginning.

Anthony DiPietro
Vice Principal

Rafael Lopez
Vice Principal

My heartfelt good wishes and congratulations to all of you. May your futures be as bright and charming as your smiles. Remember that graduation is the doorway to the rest of your lives and that it is up to you to shape and mold it.

Vice Principal

WHERE HAVE THEY GONE?

YOUTH; A THRUSTING RIVER AT THE SPRING,
THE CONSTANCE OF THE WAVE AGAINST THE ROCK,
THE PURE AND UNTAINTED SPLendor OF THE FIRMAMENT,
THE STILLNESS OF TIME.

STILLNESS? TIME FLIES!

WHERE HAVE FOUR MEASLY YEARS GONE?

IT SEEMS LIKE YESTERDAY; SOME SAY.

WHEN YOU ARRIVED SCARED AND UNCERTAIN
NOT KNOWING HOW YOUR NEXT FOUR YEARS WOULD BE,
LITTLE YOU KNEW WHO FAST THEY WOULD GO.

AND BY THE TIME THE STAGE LIGHTS WENT ON
THE BEWILDERED YOUNGSTER HAD BEEN REPLACED
BY A SOPHISTICATED YOUNG ADULT.

WHERE HAVE THEY GONE?

AWAY, YOU SAY?

MAYBE!

IT IS POSSIBLE THEY STAYED; IN SPIRIT THAT IS!
DISPERSED BY THE BLOWING OF THE WIND,
SWALLOWED BY AN UNCANNY WORLD,

WHERE HAVE THEY GONE?

NOWHERE, SILLY

THEY ARE STILL HERE,

LISTEN!

WHEN THIS PLACE IS EMPTY, LISTEN CAREFULLY,
YOU WILL HEAR A HUM, THEN A ROAR, AN EXPLOSION OF VOICES.
YOU WILL HEAR THEM ALL; IN THE CLASSROOMS, IN THE GYMNASIUM,
SPLASHING IN THE POOL!

LOOK AROUND, CHECK THE WALLS, THE DESKS!

THEIR MARKINGS ARE STILL THERE.

THE ENTIRE BUILDING IS SATURATED WITH THEIR PRESENCE!

WHERE HAVE THEY GONE, YOU SAY?

NOWHERE!

THEY MIGHT BE GONE PHYSICALLY, BUT,
THEIR ADOLESCENCE WILL LINGER HERE FOR EVER.
HERE, WHERE WE PREPARED THEM TO LEAVE.

Bulkeley High

School we hold so dear,
To our hearts so near;
We shall always keep Thy fair name clear.
We shall do or die,
raise thy standard high,
And whatever we may do To Bulkeley we'll be true.

So let us sing to Bulkeley High,
Forever Bulkeley is our cry,
Tho' many long fights and grim battles there be,
We'll lead thee eber on to victory.
Let's have a cheer for our great school,
And we shall prove that we can rule;
Now to the best to always stand the test For Bulkeley High.

Listen as we sing,
Pleasant voices ring;
We shall many honors To thee bring,
Ever we shall cry,
"Forward Bulkeley High"
Alma mater to thee always We'll bring victory.

So let us sing to Bulkeley High,
Forever Bulkeley is our cry,
Tho' many long fights and grim battles there be,
We'll lead thee eber on to victory.
Let's have a cheer for our great school,
And we shall prove that we can rule;
Now to the best to always stand the test For Bulkeley High.

Love U For Life

Promises you made me
All the things you told me
You said you'd never leave me
We'll be together for eternity
Now it's all in the past
Now I know our love will last
Lady I will do all I can
Lady I be all I am
I'll give you all you had before
So come on in and close the door
Let me show you
What I could be
Could you just please tell me

Do you believe in love and the promise that it gives
I want to love you for life 'cause your love is what I need

I know that things were rough
But my faith wasn't strong enough
Now my heart was built to last
My heart is beating for you fast
Now I know that you understand
I want to take you by the hand
And walk with you down that aisle
And with you I'll live my life
I'll give you all you had before
So come on in and close the door
Let me show you what I could be
Can you just please tell me

Do you believe in love and the promise that it gives
I want to love you for life 'cause your love is what I need

I want you to know that it's for real
This feeling that I feel

SPECIAL FRIENDS

We've shared a lot together ;
We've walked a common road.
In many ways these moments form
A special episode.
I can't foresee the future
Or know our lives will blend,
But more and more I know that I
Have found a lasting friend.
It's something rare to find someone
Whose laugh inspires a smile,
Who's shared life's joys and
disappointments,
Traced a common mile.
But I can say with certainty
That something from inside
Keeps telling me I'm glad you've been
Companion for the ride.

Let mind be-joined in
equal degree with skill.
He who hath-a trade
hath-an estate.

The 1996 Yearbook is . . .

He was born in Naguabo, Puerto Rico on April 2, 1947. As a child, he was interested in art. He found it enjoyable to design dresses and make sketches for his sisters. While in high school, he painted a mural for his new born nephew Nolito. His artistic abilities were innate; he designed his sister's wedding dress, his niece Lorna's senior prom dress, and the dress his cousin Hecmary wore for her Sweet 15.

Rafael (Papo) graduated from Rafael Rocca High School. He received his Bachelor's degree from the University of Puerto Rico. He worked in studies and to advance professionally, he traveled to New York and received his Master's degree in art and education from New York University. Years later he obtained a second Master's degree in Supervision and Administration from Central Connecticut State University.

He belonged to the following associations: New England Art Education Association, Hartford Association of Teachers, Arts Advisory Committee, Connecticut State Department, Hartford Arts City Council, Board of Directors (Former Member) and Association de Maestros de Puerto Rico.

During the summer of 1980-1981 he was a tour guide at the National Gallery in London, England.

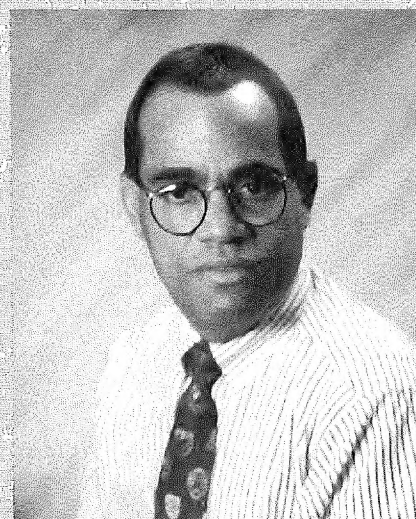

As an artist he had the opportunity to exhibit his work with other artists in the following places: Metro Park Gallery, Htfd. CT; Court Hall, Htfd. CT; State Board of Education, Htfd. CT; Department of Education, in Puerto Rico; Colegio Humacao, Puerto Rico; Universidad de Puerto Rico, Rio Piedras Puerto Rico.

1991 he was inducted to "Who's Who In America" in the area of education.

At the time of his death, June 12, 1995, Mr. Perez Saldana was an art teacher at Bulkeley High School.

The Rafael Perez Saldana scholarship fund has been created in his memory to recognize talented and deserving art students.

Mr. Rafael
